

About our licence for our fiverr gig :

Our **music license** gives you the rights to use the **music** legally in your project. Our individual **music licenses** are needledrop **licenses**, meaning you can use a **music** track in only **one project**. The **music** can be used multiple times in a project, just not in more than **one project**, episode, or production.

Here are some examples where you can use our music :

- **YouTube channel** music
- Background music for your website
- Background music for a photo slideshow
- Facebook, Instagram, TikTok, social networks videos & advertising.
- **Explainer videos** for your service
- **Voicemail / IVR** recordings
- **Product and service promos**
- **Podcasts**

Additional notes:

If you would like to use one track in several projects please contact us and we can handle a license for that.

If you need a track that is longer than 2 minutes please contact us. We can make an offer.

FAQ :

Are there any restrictions to your music ?

The buyer CANNOT claim the composition as his OWN. The buyer has no right to resell my tracks. The buyer cannot use the track in more than one project.

Can I use these tracks on YouTube?

Yes, you can upload your video with this music on to YouTube without worrying about a copyright strike.

What does 'royalty free' mean?

'Royalty free' means that you can use these tracks in a production and never have to pay another fee to use that production in the future (as is common in most music licensing).

Do I have to attribute or credit the composer?

We would appreciate if you could give us credit like :
