---

Website: <http://livamusicalibrary.ch/de/>

In the search field from our website you can insert the **catalogue number**.  
You'll find the **catalogue numbers** below.

These are our favorite songs.

If you are looking for traditional country songs the start with "Traditional Country"

But it could worth it to check out also the "Country" catalogues.

If you are looking for modern country songs then take the catalogues "Country Pop" and "Country Rock"

But here the same, it could also worth it to check out the "Country" - catalogues.
