

# Liva Music presents:

The very likable university student is blessed with a voice that will go under your skin. Since her TV appearance in autumn 2012, her unmistakeable voice is known to millions. The country-girl sang herself into the hearts of the viewers. Alina Duwe is now releasing her first single "Clouds In My Hair". The Song was recorded in both a traditional country- and a more modern pop-version. "Clouds In My Hair" is a typical on-the-road, summer and sun feeling kind of song.

**"Clouds In My Hair" will be available starting 21 June 2013 on itunes and other online music stores.**
